## Mannathu Padmanabhan Quotes

- ◆ *I find it most enjoyable to serve my country and countrymen without resting till the last moment.*
- ◆ *We have to find our way of salvation. Let's put aside the old arrangement of grouping and work together with love and unity.*
- ◆ *No matter how strong the organization is, no one should forget that the strength and courage of individuals is essential. The idea that it is sufficient to live anywhere, regardless of who hurts you, needs to be changed. You should live free and with self-respect, and if that isn't feasible, you should have a vow to end your life.*
- ◆ *Our possessions, powers and influence have gone away not because anyone took them by force but because of pride, laziness, and disunity. You must try to live with others by your efforts, assuming that the conquest of the weak by the strong is a universal phenomenon.*
- ◆ *Considering that my God and Goddess are all service society, by devoting everything to God and keeping truth and humility, working with sincerity and confidence, we can achieve the welfare of the country.*
