<b>11. Significant contributions made by IQAC during the current year (maximum five bullets)</b>		
? One day Webinar on 'Relevance of Gandhian Philosophy in the Contemporary World, by Dr. Sheeba V. T, Assistant Professor & Head of Dept. of Economics, NSS Hindu College, Changanacherry on 02/10/2021 using Google Meet.		
? One-day Webinar in connection with Constitution Day on the theme 'Women Empowerment and Indian Constitution' organised by Social Science Dept & IQAC on 26/11/2021		
? One day Webinar was organised on the topic of 'Changing Gender Equalities of Women in Travancore' on 10/11/2021 using Google Meet. Dr.Sajini P, Assistant Professor & Head of History Dept., VTM N.S.S College, Thiruvananthapuram was the Resource Person		
? One day Webinar on "Child-friendly modes of Classroom transactions" by Sri. Rahul V. R, Assistant Professor, Educational Psychology, Government College of Teacher Education using Google Meet on 23/12/2021		
International Yoga Day celebration on 21/06/2021, Independence Day celebration on 15/07/2021, Observation on Hiroshima & Nagasaki Day		

by Social Science Dept. from 6/8/2021 to 9/8/2021 by arranging various activities like Cartoon drawing, Caption writing and Poster designing for the students. Organisation of World Ozone Day by conducting ` An awareness programme for High School Students on 16/09/2021, Celebration of days of National/International importance like Republic Day (26/01/2022), National Youth Day (12/02/2022) by the Physical Science & Social Science Association on the theme `It's all in the mind", Observation of National Science Day on 28/02/2022, Celebration of Language Day `Vaikhari' on 21/02/2022, Celebration of National Wetlands Day on 02/02/2022 by the Natural Science Department Celebration of International Women's Day on 08/03/2022 with Smt. J. Jayasree, Program Co-ordinator, State Resource Centre, Kerala as a resource person. The theme was ` Gender equality today for a Sustainable Tomorrow' using Google Meet and offline mode.

**12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year (web link may be provided).**

Plan of Action	Achievements/Outcomes
To conduct a series of webinars/seminars in both online and offline platforms for giving varied experiences to students	Successful in organising numerous webinars in connection with important National days on various themes, thus providing a rich experience to students. All the departments of the college initiated different programmes with great student involvement.
To conduct various competitions for the students.	The institution was successful in providing various in-house opportunities to students to involve in Art/Sports/ Cultural competitions and to exhibit their talent
To empower the teacher trainees as part of Women Empowerment	The self-defence programme was organised by the institution in collaboration with Kerala Police. A Training Programme in First Aids and BLS was also conducted on 10/12/21 in collaboration with Believers Medical College, Thiruvalla
To give orientation to students to compete in competitive examinations	K-TET/SET programs were organised by the institution on 01/05/22
To orient the students regarding the internship and to organise teaching aids workshop for the students	Students were properly oriented by the teachers of the institution. Teaching aids workshop was organised by all the departments of the institution.
<b>13. Whether the AQAR was placed before statutory body?</b>	<b>No</b>
<ul style="list-style-type: none"> <li>Name of the statutory body</li> </ul>	
Name of the statutory body	Date of meeting(s)
Nil	Nil

**14. Whether institutional data submitted to AISHE**

Year	Date of Submission
2022	16/01/2022

**15. Multidisciplinary / interdisciplinary**

Our institution follows a multidisciplinary curriculum with a vision to equip the students with an overall knowledge to acquire professionalism in the disciplines they choose to study. Educational Philosophy, Educational Psychology and Educational technology are integral part of B.Ed Course. For the B.Ed programme, students are to learn the Pedagogical aspect of Language Education (English/Malayalam/Hindi), Pedagogical aspect of Science Education (Physics Science/Natural Science/Mathematics) and Pedagogical aspect of Social Science Education. We also have credit base course on Healthy and Physical Education, Environment Education and Guidance and Counseling. Projects on medicinal plant garden, preparation of eco-friendly products that inculcates in us environmental accountability and study on the environmental practices practiced in our community is undertaken by every students who select Environment Education as their elective course. A survey on life style disease in the nearby locality and identification of the adolescent problem and its remedial measures are to be done by students who choose respective elective courses. Our students during the B.Ed course, participates in an Online MOOC course on Organic Farming organized by Mahatma Gandhi University. The institution also organizes many interdisciplinary programmes in various disciplines so that blending of different disciplines leads to the exchange of knowledge which in turn benefits the whole student community. The curriculum is thus intended to assist the students not only in their academic development but also in their life skills, team work, sports, health and hygiene, cooperation and the like. This modified approach will help the students to develop academic excellence as well as aid them in their career paths.

**16. Academic bank of credits (ABC):**

Our institution is offering credit based elective courses like Health and Physical Education, Guidance and Counselling and Environmental Education to choose according to the interest of students. This is a primary steps towards ABC.

**17. Skill development:**

Our institution offers recognizes the importance of soft skills and encourage students to write ICT based lessonplans, powerpoint

presentations, e assignments, brochure preparation, video animated lessons etc The curriculum and activities for different courses in the B. Ed Programme is designed accordingly. All the works for each semester is initiated in a pre-planned manner so that academic knowledge and transfer of skills is imparted to the learner. Students are encouraged to use technical assistance when ever needed, preparation of blog, powerpoint presentations and to integrate it in their classrooms while teaching, Thus a holistic approach is promoted in the entire curriculum rather than rote learning of facts.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Appropriate integration in to the Indian culture is imparted through core courses viz. Contemporary India and Education and Knowledge and Curriculum in Semester 1 and II of the B.Ed Programme. For the last three years, our institution with the active participation of students which helps them to know about our Indian culture and values.

**19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The design of B.Ed Curriculum and all the related activities are aligned with the course outcomes. The course objectives clearly focus the moulding of student teacher as an excellent professional. The students take up the course with certain goals of developing teaching skills in a very comprehensive manner by the end of the course. The students have the flexibility to choose the elective course, practicum works and methods of teaching as they practice the internship. The varied student experience helps them to attain the goals of the course.

**20.Distance education/online education:**

Our institution has been using online education during a period of two years during the Covid pandemic. Teaching was transacted through different platforms like Google Meet, Microsoft teams, Zoom etc. telegram, Watsapp groups; Google classrooms were fully utilized to transact the curriculum. Google forms, online examinations, e-assignments, blog creation, PowerPoint presentations, brochure creations all were extensively used by the faculties. Students re directed to do the online MOOC course in Organic farming, which is hosted by M. G University. The institution continuously encourages the students to take free MOOC courses to improve their academic performance.

<b>CURRICULAR ASPECTS</b>	
<b>1.1 - Curriculum Planning</b>	
1.1.1 - Institution has a regular in house practice of planning and/or reviewing, revising curriculum and adapting it to local context /situation. Describe the institutional process of planning and/or reviewing, revising curriculum and adapting it to the local context in not more than 100 - 200 words	
<p>The institution has a regular in-house mechanism to review and revise the curriculum and let it known to all concerned. There are regular staff meetings which discuss what and how of modifications to be made to suit the local demands related to curriculum. Then there are IQAC meetings which ratify and approve and also suggest revisions if any in the decisions already taken in staff meetings. At the beginning of each semester, decisions are taken related to practical works, examinations, extra curricular and co-curricular activities which is convenient for the faculty and students. The institution through IQAC reviews the teaching learning process and methodologies of academic operations periodically.</p>

### 1.3 - Curriculum Enrichment

1.3.1 - Curriculum of the institutions provides opportunities for the students to acquire and demonstrate knowledge, skills, values and attitudes related to various learning areas Describe the curricular thrusts to achieve the following in not more than 100 - 200 words each A fundamental or coherent understanding of the field of teacher education Procedural knowledge that creates teachers for different levels of school education skills that are specific to one's chosen specialization Capability to extrapolate from what one has learnt and apply acquired competencies Skills/Competencies such as: Emotional Intelligence, Critical Thinking, Negotiation and Communication Skills, Collaboration with others, etc.

The main objective of teacher education is to develop a skill to

stimulate experience in the taught, under an artificially created environment, less with material resources and more by the creation of an emotional atmosphere. The teacher should develop a capacity to do, observe, infer and to generalize. The fundamentals of learning are the means through which learners achieve the content standards during their daily learning opportunities in the classroom. Designing coherent instruction is important in order to advance and challenge students at appropriate levels. Procedural knowledge is the knowledge of how to perform a specific skill or task and is considered knowledge related to methods, procedures, or operation of equipment. This theme measures what students do in the classroom to enhance their learning. Through practice and reflections students are able to apply these skills in new contexts and recognize their own critical thinking. Competencies are combinations of attitudes, skills, and knowledge that students develop and apply for successful learning. The curriculum promotes the development of the following competencies such as emotional intelligence, critical thinking, communication skills. As students develop competencies through learner outcomes they acquire knowledge, skills and attitudes that contribute to their success on lifelong learners and active citizens.

1.3.2 - Institution familiarizes students with the diversities in school system in Indian as well as international and comparative perspective. Describe in not more than 100-200 words how students are familiarized with the diversity in school system in India with respect to: Development of school system Functioning of various Boards of School Education Functional differences among them Assessment systems Norms and standards State-wise variations International and comparative perspective

Diversity among students in education directly impacts their performance. Studies show that students work better in a diverse environment, enabling them to concentrate and push themselves further when there are people of other backgrounds working alongside them. Diversity among staff is also important. Students in our nations' classroom today are more diverse than ever. They represent

different races ,ethnicities, cultures and socio economic backgrounds. Further these students often exhibit a wide range of academic, physical and social abilities or skills. Diverse classrooms help develop tolerance and a greater sense of security when in environments with other foreign cultures present. It also helps students learn about other languages and cultures encouraging them to be inter culturally sensitive. Diversity is everything that makes people different from each other.This includes many different factors: race, ethnicity ,gender ,sexual orientation , socioeconomic status, religious beliefs etc. Diversity in the classroom is managed by knowing your students, maintain consistent communication ,acknowledge and respect every student, practice cultural sensitivity,incorporate diversity in the lesson plan, give students freedom and flexibility. Teaching diversity exposes students to various cultural and social groups preparing students to become better citizens in their communities.The ways to promote diversity awareness in classrooms includes celebrate differences, foster creative expressions, invite students to share, represent multiple cultures in the learning environment

1.3.3 - Students derive professionally relevant understandings and consolidate these into their professional acumen from the wide range of curricular experiences provided during Teacher Education Programme Describe the efforts made by the institution to enable students to develop understanding of the interconnectedness of the various learning engagements and to make them ready for the professional field in not more than 100-200 words

The vision of the curriculum is to enrich the new generation teachers with values and life skills. equip them to be professionally competent, adaptable and socially committed to meet the challenges of tomorrow and to become the transmitters ,inspirers and promoters of children’s eternal quest for knowledge.The curriculum is designed to enable the student teachers to uphold the value system based on the cultural,social,political and moral bases of Indian society, to identify and solve prevalent major social and environmental issues and equip the classroom learners to face those challenges. The curriculum also helps to get ready for professional

preparation and to become technologically competent and to realize the importance of ICT and focus on communicative english which helps the student teachers to communicate well in diverse settings and groups. The community living camp is organised with a view to sensitize the participants on Civic sense and social skill ,developing social responsibility ,imbibing ,social ,moral and cultural values, leaning to live together etc.The college follows a student centred approach to education focussing on the needs of the students.

**2.2 - Honoring Student Diversity**

2.2.1 - Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students Describe the assessment process at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students, in not more than 100-200 words.

Our institution conducts entry-level test to identify different learning needs of students, their learning readiness and to professionally train accordingly. Before commencement of the regular classes, students are given an entry test, prepared and validated by the teaching fraternity of the institution. Utmost care is provided while preparing the test items. A blend of teaching aptitude questions and subject based questions (English, Malayalam, Hindi, Mathematics, Physical Science, Social Science and Natural Science) are included for this purpose. On the basis of this test, students at varying learning levels are identified. Students are given training on teaching skills, communication skills, information skills, personality development, time management, motivational sessions and career prospectus for all levels of learners during their two year course. For motivating both the slow and advanced learners, various workshops are organised by the institution. Hands-on training is arranged every year by the college before the commencement of their internship. Different clubs that are part of the institution also arrange activities that scaffold both the slow and advanced learners. Advanced learners are kept in charge of various programs so that slow learners are more benefited by such kind of peer assistance.

### 2.3 - Teaching- Learning Process

2.3.1 - Multiple mode approach to teaching-learning is adopted by teachers which includes experiential learning, participative learning, problem solving methodologies, brain storming, focused group discussion, online mode, etc. for enhancing student learning Describe the varied modes of learning adopted and their basic rationale for adopting such learning mode/s for different courses of each programme in not more than 100-200 words.

Our institution adopts student centric methods like experiential, participative learning, problem solving methodologies and numerous other approaches for enhancing student learners. This approach is quite for the learner diversity found in the institution.

#### Participative learning

In this type of learning, students participate in micro teaching sessions, criticism classes, link practice, project works, workshops, seminars, sports and games, arts festival, community citizenship training programs, extension activities, debates, study

tour, involvement in club activities etc.

#### Problem solving method

The institution provides many opportunities for developing problem solving methods. Case study, action research, participation in MOOC courses, participation in various inter collegiate and intercollegiate festivals and competitions provides opportunities for yielding problem solving skill in students.

#### Case study

It is conducted during the period of internship of the teacher training program. Case studies based on learning problems of school pupils are undertaken by the students.

#### Action research

Students as part of their curriculum does action research during the course of internship. After thorough observation, a problem is identified and based on a detailed study, actions are taken by students to resolve the problem identified.

#### MOOC course

Every student of the institution is an active participant in the MOOC course on 'Organic farming'.

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Our institution has a student mentoring system. Each faculty is assigned a maximum of ten students as their mentees at the beginning of each academic year. Students discuss with their mentors academic, non-academic as well as personal matters. Students are encouraged to feel very free here and express their concerns so that solution to a problem, if exists, is attained and thus students feel relaxed in a very hectic academic schedule. Student counselling if needed is also so done by the mentor teacher and situation demands professional counselling is also arranged. Student activities are designed by the mentor according to the student interest and implemented in the groups for the benefit of students. We work in team and thus ensures that the student diversity is met. We work in teams as it is believed that in certain situations, the diversification is met only with a good cooperation among the teachers. Multidimensional approaches are adopted by teachers for the betterment of students. Webinars for students were arranged on Covid Pandemic, Pandemic psychology, Human rights, I CT's for class room teaching and so on. Students are encouraged to integrate ICT in to their theory courses, lesson plans, internship, brochure preparation for various programs conducted in our college, blog preparation, enrollment into the MOOC courses etc. Teachers take part in seminars, workshops, paper presentations and also impart their teaching expertise in such occasions.

2.3.7 - Teaching learning process nurtures creativity, innovativeness, intellectual and thinking skills, empathy, life skills etc. among students

The institution plays an active role in nurturing creativity, innovativeness, intellectual & thinking skills, empathy, life skills etc. among students through multiple programs. We would like to highlight 'Teaching aids workshop' and 'Preparation of Eco-friendly products' that are attempted in our institution.

#### Preparation of teaching aids

The teaching-learning process is complete only when a teacher learns how to use teaching aids at appropriate situations. Every subject teacher in our institution provides students opportunities for hands-on experience in preparing teaching aids. They demonstrate how to prepare innovative teaching aids, in each subject. They also organise discussions and students are encouraged to make still, working and improvised aids in the classroom itself. Finally, a one day workshop is conducted in the institution where students are given ample time to indulge to exhibit their talents, creativity and innovativeness in preparing learning aids.

#### Preparation of Eco-friendly products

The concern for green protocol and the environment is evident from this initiative . Every student who undertakes the elective course is properly guided in preparing Eco-friendly products. Teachers along with students train students in this task. This venture instills environmental accountability in students which is very essential for the concept of sustainability.

2.4.8 - Internship programme is systematically planned with necessary preparedness Describe institution's preparatory efforts at organizing internship programme in not more than 100-200 words with respect to the following: Selection/identification of schools for internship: participative/on request Orientation to school principal/teachers Orientation to students going for internship Defining role of teachers of the institution Streamlining mode/s of assessment of student performance Exposure to variety of school set ups

The preparatory stage begins with a staff meeting that is conducted prior to the internship and a list of schools is formulated. Schools from three districts Kottayam, Pathanamthitta and Alappuzha are taken for this purpose. The subject teachers notify the students about this and students are allowed to choose as per their convenience. If any new schools are available, they might also be included. This final list is sent to the Deputy Director of Education for approval. After this, communication is made with the selected schools. After acceptance, a school visit is made by students with their mentor/Head of the School. Timetable for the internship will also be collected during this time. The head of the institution along with subject teachers organises Orientation

programs for school principals/teachers. Due to the pandemic situation, this was arranged through online platforms. Students are given a proper orientation regarding how the internship should be professionally carried out in the schools, preparation of lesson plans, teaching aid preparation workshop, teaching-learning activities code of conduct, discipline etc. The first phase of internship is done in the second semester of the course, for a period of one month. Five lesson plans are developed for this purpose and implemented by the teacher trainees. The second phase of internship is conducted in the third semester of the courses for a duration of 4 months. Fifty two lesson plans are prepared for this purpose.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

Assessment is crucial to any teaching-learning process. Hence every measure is adopted by teachers to streamline assessment modes during the internship. The institution offers effective monitoring mechanisms for the same. Every Optional teacher will be in charge of internship programme. After two or three weeks of internship commencement, every subject /optional teacher starts visiting and monitoring teacher trainees. The assessment of the classes, lesson plan, teaching activities, ICT integration, adequate use of teaching learning aids, classroom management and so on are very comprehensively conducted by the mentor teachers. The monitoring mechanism is done periodically during this period, in total it is done thrice during the internship. Once in every month during the internship, students assemble at the college, meet their mentors, further lesson plans are submitted, and feedback is also provided. The Principal of the concerned school, school teachers and mentor teacher will periodically evaluate the teaching of internees using Observation Schedule. The feedback to students is also done by the concerned authorities. Teachers who are in charge of Physical Education and Value Education will also monitor the internship programme twice during this period.

2.5.4 - Teachers put-forth efforts to keep themselves updated professionally Describe the nature of efforts by teachers to keep themselves updated professionally in not more than 100-200 words 1. In house discussions on current developments and issues in education 2. Share information with colleagues and with other institutions on policies and regulations

Every faculty of the institution is striving hard to keep themselves updated professionally. Teachers actively take part in academic discussions within the college whenever possible. Project works are

discussed among the faculty members before submission to the concerned authority. Some of the faculties contributed their expertise and professionalism as Resource persons. Their contributions are presented and strongly discussed among the teaching staff. The published research works by the faculty members are presented before other faculty members and good academic discussions are made out of it. Every faculty member has been an active participant of National Webinar and Conferences, State and College Level webinars and various other programmes. Many of the faculties contributed their professional knowledge in the form of the organisation of webinars and conferences. There were valuable contributions in the form of journal publications in Peer reviewed, Care Listed journals , book publications etc.

Various learning apps, digital platforms like Google meet, Zoom, and the like well quickly learned and adapted by the faculties for the smooth and effective functioning of the online classes.

## 2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

The Continuous Internal Evaluation of student learning is done as per the guidelines of M.G University. Every component in all the theory courses as instructed by the University is sterictly followed while awarding the internal marks. The internal evaluation of theory courses is done by conducting two class tests and the respective practicum for each course. After putting the internal marks, they are then published before the commencement of University Examinations and are acknowledged by the students. All details of the internal examination are safely kept in the college for two years after the end of the programme and made available for verification by University if needed. All the documents pertaining to the practical courses are made available before the External Examination Board constituted by the University. The same procedure is practised in all the semesters of the B.Ed course, which ensures continous evaluation in the institution.

### 2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

#### **Mechanism for grievance redressal related to Examination time-bound and effectively**

The College strictly adheres to the guidelines issued by the affiliating university(M.G University) Complete transparency is maintained in this regard. In order to address the grievances of students, an examination committee, consisting of Principal and Faculty members is constituted every year. All the students are clearly informed about the procedures while evaluation of student work\k is done. Two internal tests and one practicum are conducted in each semester for the theory courses. At the end of the semester, average marks of both the unit tests are calculated and then published before the commencement of University Examinations. Any discrepancies if reported by the students are resolved by the concerned faculty immediately. After valuation of the tests, the internal marks are displayed on the notice board. Students are made free to raise a grievance to the concerned faculty. Grievances, (if any) can be resolved immediately. The grievances of the students with reference to assessment are made clear by showing his/her performance in the answer sheet and are resolved immediately. If not, a student can approach the University level examination grievance committee.

Academic calendar of the Institution with seal and signature of the Principal	<a href="#">View File</a>
Any other relevant information	No File Uploaded

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

The college adheres to the Academic Calendar, prepared by NSS Training College, Changanacherry. On the basis of the academic calendar, events are chalked out during an academic year beginning with the dates of commencement for the programme, start and end date of each semester, completion of syllabi for each semester, schedule of internal exams, submission of practicum and practical works, working days, holidays, semester breaks etc. As per the academic calendar and guidelines provided by M. G University, internal examinations and assessments are conducted. An examination committee consisting of the Principal, teacher-in-charge and other few faculties constitutes the Examination Committee at the College Level. This committee will monitor the overall internal assessment procedures. The committee also prepares an internal examination timetable for each Semester. Proper guidelines are conveyed to the faculty members regarding the criteria to be followed while carrying out the Internal Evaluation. Comprehensive planning is made in for every aspect related to the conduct of Internal evaluation and the publication of internal marks. Continuous internal evaluation is thus conducted throughout all semesters of the B.Ed programme.

## 2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

The structure of two year B.Ed programme is designed in such a way that it enables the student teacher to uphold the value system on various aspects of Indian society, to challenge the environmental

and social issues, develop teacher competence, motivation, get them ready for professional preparation and many more. The teaching-learning process comprises various methodologies that are well executed by well qualified and experienced teachers and used appropriately for each of the theory courses included in the curriculum. Students are involved in numerous practical works, practicums, teaching aid preparations, microteaching sessions, discussion, demonstration and criticism lessons which helps them to acquire essential teacher qualities. They are trained and guided by mentor teachers with well-prepared rubrics and observation modes. Opportunities are provided to student teachers to build their professional capacities, teacher sensibilities and skills through Engaging them with the field during their internship. The inclusion of Core papers, Pedagogic courses, Associate courses, Courses on Educational Technology, Educational Psychology, Curriculum Studies, Health and Physical Education, Drama and Art in Education, Communicative English, Pedagogic Course on Professional Development of Teacher and the associated practicum and practical works will enhance and mould the student teachers in moulding as true professionals.

2.7.3 - The progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs is monitored and used for further improvements

The structure of two year B.Ed Curriculum is designed to enable student teachers to acquire the stated General and Course Objectives

as listed in the curriculum. The Theory Courses, its associated Practicums and Practicals are well aligned with the stated PLO's and CLO's. The progressive student performance (in four semesters), of both professional and personal attributes are evaluated, both internally and externally. The internal evaluation of theory courses is done by class tests and the related practicum. Two class tests and one practicum is done by all students for every course. Appropriate feedback is given to students for each of their assigned work and the progress made by students are recorded by the mentor teachers. The assessment criteria for each of the practical work is defined in the curriculum, which the teachers strictly adheres to. The internship programme (which evaluates professional attributes) of B.Ed course is done in two phases- as school induction (for one month) in SEM II and teaching practice in phase 2 (for 4 months) in SEM III is monitored by mentor teachers using Criteria for assessment and is verified by documents that are maintained by students as prescribed in the Curriculum.

Any other relevant information	No File Uploaded

2.7.5 - Performance of students on various assessment tasks reflects how far their initially identified learning needs are catered to. Describe with examples the extent to which the assessment task and the

performance of students reflect their initially identified learning needs in not more than 100 -200 words.

Our institution conducts an Entry Level Test at the beginning of each academic year, and the student learning needs are identified. In the first semester, students are given three practice lessons on Microteaching followed by a Link Practice. Mentor teachers, as well as peers, record their observations using rubrics.

The B.Ed. Programme envisages school internship of 20 weeks duration spreading over two phases, first phase of four weeks during II semester and 16 weeks during III semester. The first phase consists of four weeks of school engagement. In the second phase, there shall be a minimum of 16 weeks intensive school internship and one week observation of a regular class room with a regular teacher. They involve in planning, teaching and assessment, interacting with school teachers, community members and children. The mentor teacher periodically visits each trainee, records their observation on all aspects of teaching based on assessment criteria. Immediate feedback and suggestions are provided. Thus regular monitoring will help students to make progress during the course.

The thought for the day programmes and other activities conducted in the institution also provide opportunities to mark their overall improvement in their performance.

3.3.4 - Outreach activities in the community in terms of influencing and sensitizing students to social issues and contribute to community development Describe the way in which outreach activities conducted sensitized students to social issues and community development in not more than 100-200 words.

Our institution is dedicated to fostering social awareness and skills development among student-teachers by organizing activities beyond the campus. These initiatives aim to cultivate a sense of responsibility towards social issues and contribute positively to society. Each year, we host a diverse range of programs that bring student-teachers closer to various social challenges.

One of the key initiatives is the organization of educational tours, which offer our student-teachers invaluable exposure. These tours provide firsthand experiences of different cultures, places, and people, enabling them to broaden their perspectives and understanding of the world.

Moreover, our college's Physical Science department has played a proactive role in raising awareness about energy conservation and management. From December 14th to December 21st, 2021, a series of programs were organized with the specific goal of promoting energy conservation and management practices among student-teachers and society.

Furthermore, our institution actively participates in the Swachh Bharat Abhiyan, a nationwide cleanliness campaign launched on October 2nd, 2014, by the honorable Prime Minister. As part of this mission, the college has taken the initiative to maintain cleanliness in our surroundings. We encourage active participation from all stakeholders, ensuring that everyone plays a role in keeping the environment clean and hygienic.

Through these endeavors, our institution aims to empower student-teachers to become socially responsible citizens who are sensitive to social issues and equipped with the necessary skills to contribute meaningfully to society.

**4.2 - Library as a Learning Resource**

4.2.1 - Institution has adopted automation of library using Integrated Library Management System (ILMS) or any other software Describe the features of Library Automation in not more than 100 – 200

words.

Library is automated by using KOHA software.

Koha has multiple functionalities to complete all size Library. It is Internationally accepted. Support Linux, Unix, Windows, and MAC operating systems. Web-based OPAC system allows the public to search the catalog all over the world. Full MARC21 and UNIMARC support for professional cataloging. Enhance catalog display using contents from Amazon, Google, Library thing, etc. This software helps to print your own bar codes, spine labels & ID card. Provides Multilingual and multi-user support. Imports catalog by the power full Z39.50 server. Uses power full ZEBRA search engine. Send E-mail & messages for overdue and other notifications. Manage online and offline resources with the same tool. Flexible reports generation. RFID & BARCODE READER. Flexible to customize according to your library requirements. Support for z39.50, SIP2, NCIP, EDI. Import data from Excel files.

4.2.2 - Institution has remote access to library resources which students and teachers use frequently Give details of Gateway for remote access to library resources used by teachers and students in not more than 100 - 200 words

Online Public Access Catalogue (OPAC) OPAC is an access tool and resource guide to the collection of our library which provides bibliographic data in machinereadable form and can be searched interactively on a computer terminal by users. It enables the librarians to catalog different genres of books and maintain its database online. It allows students and teachers to search books on parameters such as title, author's name, volume, and keywords with mere clicks. The purpose of OPAC or the Online Public Access Catalogue to make the digital resources search faster & easier for the students by offering a digital library catalogue. Library software integrated with the OPAC is not just helpful for librarians & students but it's highly beneficial for educators as well. It's the responsibility of educators to keep track of everything that goes on in their institution. Students can identify the number of copies left in the library, its location, and such crucial

information and then visit the library to get the books. For e-books, they can directly get information & access it at any point in time.

**4.3 - ICT Infrastructure**

**4.3.1 - Institution updates its ICT facilities including Wi-Fi Describe ICT facilities including Wi-Fi with date and nature of updation in not more than 100 - 200 words**

**In educational institutions, providing Internet access for employees, students and visitors is paramount, since student support services are offered virtually, classes are increasingly interactive**

and digital, subjects are taught in a virtual format, or in a hybrid way (blended), making the internet resource, inside and outside the institution, highly relevant to the student learning cycle. The connection strength has been progressively increased over the years to meet the demands of the situation. The college provides network connection through OFC (optical fiber connection ) (connection No-04812420481) uninterrupted in 50 meter radius of the institution( high speed connectivity). The speed of internet availability 100MBPS.Availability of the signal will vary from place to place for students/faculty members and staffs. The signal strength also may vary from location to location. It is not mandatory that each and every area in each floor of every block will have the same kind of signal strength. Institution has 5 access points with 2 booster router and two Modems. Password protection is ensured for security and safety. Access to Wireless internet is only an extended service and either students or staff can access it on demand with support of the technical staff.

### 5.3 - Student Participation and Activities

5.3.1 - Student council is active and plays a proactive role in the institutional functioning Describe the ways in which student council plays a proactive role in the institutional functioning and contribute for students welfare in not more than 100 - 200 words

Our College has a well organized student council for each academic year. In the beginning of each academic year a student union is formed. The college union is given a prominent role in decision making, planning of activities and administrative bodies of the institution. The arts and sports fest were conducted by the college union. Various competitions like Inter college programmes were organized by the union. The college union has representations in the grievance cell, library council and all other committees in the college. In addition to college union there are student representatives in various committees and clubs of the institution. Hence the college union and other student representation constitute the student council of the institution. During this academic year a student union was formed by election and they performed various activities in the college.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic plan is effectively deployed Describe one activity successfully implemented based on the strategic plan with details of deployment strategy, during the year in not more than 100 - 200 words

The College Management believes in setting up perspective plan for excellence in academic and infrastructural development. This is drawn in the form of long term and short-term goals in different aspects of college functioning. These perspective plans are reflected in the annual action plans. The IQAC decides the perspective plan which is to be approved in the College Council meetings. Although the College has been realized most of its perspective plans, noteworthy is the augmentation and renovation of infrastructure, and increase in laboratory equipment and Library resources by means of grants received from RUSA. This activity has been verified by visits by RUSA officials and Government auditors in a periodic manner. Many of the classrooms have been made ICT enabled, bringing to fore the technological advancements in teaching-learning. Rusa's permission has been granted to build classrooms and other ancillary facilities in the college, which are in progress.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc. Describe the functioning of the institutional bodies in not more than 100 - 200 words.

The organizational structure of the College facilitates its smooth functioning. The Governing Council is the policy making body. The overall supervision of the College comes under its purview. After discussion, it decides the academic policy keeping in view the

national policies in higher education, existing priorities, and local needs. Regular feedback obtained from the alumni, students, parents and faculty along with suggestions of NAAC peer team form the major inputs for the planning. These inputs are discussed and analysed by the Principal and IQAC. The planning and infrastructural development is decided by the Head of the institution. The plans proposed are discussed by the respective Cells and committees, fine-tuned as per needs, and then finalized. Financial implications and possible hurdles are thoroughly investigated and taken care of before finalizing any plan. The principal, committee / cell in-charges and office staff, monitor and work together for the effective implementation of these policies.

As a part of the administrative setup we are having proper work distribution. All the appointments at the College are being done by the government as per rules and regulations. We follow all the Service rules and procedures prescribed by the Government, U.G.C. , N.C.T.E. and affiliating university

6.2.4 - Effectiveness of various bodies / cells / committees is evident through minutes of meetings and implementation of their resolutions / decisions Describe one decision based on the minutes of the meetings of various Bodies / Cells / Committees which is successfully implemented in not more than 100 - 200 words.

NSS training college has a decentralized administration, provides complete transparency in the decision-making process. The governing body has given powers to the principal to take decision in Academic and Co-curricular activities. The governing body meets at regular intervals and monitors the activities of the institute. The principal conducts regular meetings with the programme coordinators and discuss the activities of the department. The programme coordinators conduct meetings with faculties and Nonteaching staff in the departments and discusses the activities. Under the guidance of the Management, Principal constitutes different committees for the successful operation of the institution. Internal Quality Assurance Cell monitors issues associated with teachers and students, specially focusing on the academic affairs. Staff Council comprising of all the teachers of the college is engaged in different administrative, academic and co-curricular activities through various committees. Other than the regular college committees, the college also has the Grievance Redressal Committee, and Cell Against Sexual Harassment. The objective of these committees is to ensure that no violation of rules takes place within the College and work towards addressing and settling grievances of both students and staff, in any.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - Effective implementation of welfare measures for teaching and non-teaching staff is in place Describe the existing welfare measurements for teaching and non-teaching staff and their implementation in not more than 100 - 200 words

Our college has effective welfare measures in place for its teaching and non-teaching staff. The various welfare schemes are as follows

- Leave is readily sanctioned to the staff for personal work,

attending Refresher Course/Orientation Program/seminars etc.

- Faculty members are encouraged for research and publications for their career advancement.
- Free Wi-Fi facility
- Dedicated cabins/workspaces, separate reading and computer space in the library.
- Separate parking for Staff
- The Management is easily approachable to the staff.
- Washrooms for staff
- Canteen facility
- Maternity benefits as per norms
- Provisions for doing PhD under FDP programme.
- Festival advance.
- Festival bonus.
- Advance, if requested, to the newly appointed staff against the salary due as regular salary starts
- College give an amount of Rs.10,000 to retiring staff as token of appreciation
- Insurance for Teaching and non teaching staff such as Group insurance(GIS),STATE LIFE INSURANCE,GPAIP

6.3.5 - The institution has a performance appraisal system for teaching and non-teaching staff Describe the process of performance appraisal system for teaching and non-teaching staff in not more than 100 - 200 words.

#### Performance appraisal system for teaching staff:

The institution has performance-based appraisal system for the assessment of teaching staff. The appraisal report is based on the annual performance of the employees based on their academic, research and other extra- curricular activities. The performance appraisal is also used for Career Advancement of the teachers. Performance appraisal procedure is done as per UGC norms.

**Teacher's Evaluation by Students:** Students are given with Feedback Forms to provide their feedback of the teachers. The questionnaire of the feedback forms is designed to elicit responses for parameters like classroom teaching, regularity, communication skills, subject knowledge, discipline, work- ethics, curriculum to provide effective mentoring and career guidance to students and grade the teacher's ability in creating an interactive, discussion-oriented teaching. The forms are then analysed by the staff council ,IQAC, and the Principal and corrective measures taken, wherever necessary.

•

**Performance appraisal system for non- teaching staff:**

A few strategies are observed in appraising non-teaching staff's performance this includes technical contribution of individuals such as subject knowledge, awareness, productivity, quality, innovation willingness to learn, diligence etc. besides they also assess the behavioural aspects like group behaviour, acceptability, punctuality etc.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources are in place. Describe the procedure of mobilization of funds and its optimal utilization in not more than 100 - 200 words.

Institute maintains & follows a well-planned process for the mobilization of funds and resource. The process involves various committees of the institute as well as PTA and Accounts office. Our college follows Kerala state government rules for the fund usage and resource utilization.

Sources of funds are as follows:

1. Fees: Fees charged as per the university and government norms from students.
2. Salary Grant: The College receives salary grant from the State Government.

3. UGC Grants: Receive grants from the UGC for the development and maintenance of Infrastructure, upgrade of the Learning Resources and Research (including grants for Minor and Major Research Project).

4. Funds from RUSA.

Our resource mobilization policy and procedures are as follows:

1. College council and the IQAC, monitors the mobilization of funds and makes sure that the funds are spent for the purpose for which they have been allocated.

2. The Purchase Committee takes care that purchases are done properly and in accordance with the rules

3. Internal audits from the Chartered Accountant and external audits from the government make sure that the mobilization of the resources is being done properly.

4. To ensure the optimum utilization of resources, the principal issues directions

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) or any other mechanism has contributed significantly for institutionalizing the quality assurance strategies Describe the process adopted by the institution for quality assurance through IQAC or any other mechanism in not more than 100 - 200 words

The IQAC Cell of the college works towards improving and maintaining the quality of education, identifying, and suggesting new ways of using teaching aids and developing suitable infrastructure. IQAC is an effective and efficient internal coordinating and monitoring mechanism. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted. The IQAC meets every quarterly to plan, direct, implement and evaluate the teaching, research, and publication activities in the College. The sub-committees dealing

with various activities implement the IQAC guidelines and report the feedback. The IQAC strives to spread quality culture through quality enhancement initiatives and best practices.

College has developed several quality assurance mechanisms under Academic Monitoring Committee as under:-

- Feedback analysis received from Students and stakeholders

- Getting updated on latest information on various quality parameters of higher

education

- Institute appreciates, encourages, and provides support for quality improvement in

teaching, research & administration.

- Documentation of the various programs /activities leading to quality improvement.

- Planning and Support effective implementation for Total Quality management,

Curricula development, Teaching-Learning and evaluation, Research, Consultancy

and Extension activities.

- Preparation of Academic Audit as per the guidelines

6.5.2 - The institution reviews its teaching-learning process periodically through IQAC or any other mechanism Describe the process adopted by the institution for reviewing Teaching-Learning Process periodically in not more than 100 - 200 words.

The IQAC continuously reviews and takes steps to improve the quality of the teaching-learning process. For the review of teaching

learning process the IQAC members always ask questions to the students and discuss about the teaching learning process with them formally and informally .The entire faculty members themselves review the teaching learning process continuously. It is to be noted humbly that the semester results issued by the University are itself the evidence of the improvement in the teaching learning process. Academic Calendar is prepared in advance, displayed and circulated in the Institute and strictly followed. All newly admitted students must compulsorily attend the Orientation Programme. Important announcements are made in the morning assembly and attendance and conduct of classes are monitored by the faculties. The Discipline Committee members make random visits to ensure smooth functioning of classes. Feedback from students is also taken individually by teachers and directly through IQAC. Feedback is properly analysed and shared with the principal, and individual faculty members. The teaching-learning processes are reviewed, and improvements implemented, based on the IQAC recommendations.

6.5.5 - Institutions keeps track of the incremental improvements achieved in academic and administrative domains of its functioning through quality assurance initiatives For first cycle: Describe two examples to show incremental improvements achieved within the institution during the year in not more than 100 - 200 words each For second and subsequent cycles: Describe two examples to show incremental improvements achieved within the institution due to quality initiatives since the previous accreditation in not more than 100 - 200 words each

•The College has undergone the first and second cycles of accreditation in 2005 and 2016. Review of the various processes has been based mainly on their Peer Team Reports. IQAC, through discussions and recommendations, identifies need of improvement towards teaching-learning and prepares a plan of action for upcoming session. In line with the peer team recommendations

• The classrooms and staff room toilets were renovated with the first phase of RUSA funding.

- Library fully automated by COHA software.
- Increased use of ICT in teaching and provided more online classes and E resources to students.
- Organized awareness classes and webinars on Communicative English and Life Skills.
- Published papers in reputed journals by faculty members.
- Organized Training programs on use of ICT for teaching staff.
- Academic collaborations with external agencies established
- Group accident insurance policy has been implemented for students

### 7.3 - Institutional Distinctiveness

7.3.1 - Performance of the institution in one area of distinctiveness related to its vision, priority and thrust Describe the institutional performance in one area of distinctiveness related to its vision, priority and thrust in not more than 100 -200 words

**Areas of Distinctiveness** • The college has developed a clear vision, viz, 'Vidya Viniyogaath Vikas' the meaning of which is progress results from proper

application of knowledge. Being a teacher education institution, the student teachers

of our institution are provided with a wide variety of activities to gain knowledge and

apply it appropriately. They become future teachers to prepare school students and to

serve the nation as ideal citizens. Thus the vision is clearly put in to practice in

our institution. • Activities such as ACADP, A Coin a Day for the Poor • Teaching

Empowerment Programme (TEP) supply of teaching aids to schools in the campus. •

Learning Empowerment Programme (LEP) supply of learning aids like note books,

instrument boxes to economically backward students of the model school . •

'Santhwanam'-visiting Orphanage and old age home, supply food, clothing, learning

materials and donations, conducting classes and cultural programmes at the orphanages,

• 'Pothicor"-Noonmeal programme for the poor in the street .
